Re: Reauthorization of Hawaii Tokai International College

Dear Dr. Yoshikawa:

I am pleased to inform you that as of April 1, 2018, Hawaii Tokai International College's application for reauthorization to operate as a post-secondary degree-granting educational institution in the State of Hawaii has been approved by the Department of Commerce and Consumer Affairs (DCCA).

Please note that pursuant to Hawaii Revised Statutes (HRS) §305J-12(a), authorization by the DCCA shall be conditioned on the maintenance of accreditation by your institution and continuing compliance with HRS §305J-14 (financial integrity).

You are reminded to notify the DCCA within 30 days of any change in ownership or any material information related to an action by your accrediting body concerning your accreditation status. In addition, please notify the DCCA as soon as possible of the following changes:

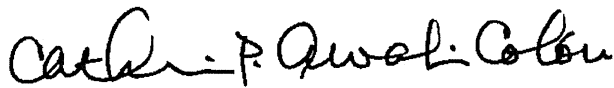

- In the status of U.S. Department of Education eligibility for Title IV Student Financial Aid including any investigations and audits; and
- In the status of the approval from any other state authorization agency, including any investigations and audits.

Information on your authorized status should be provided to prospective and enrolled students on your website and in your catalog. In addition, information on filing a complaint 1) to the institution; 2) to the DCCA's Hawaii Post-Secondary Education Authorization Program (HPEAP); and 3) to your accrediting agency should be accessible to students on your website and in your catalog.

As your institution is authorized for a period of two years, the authorization will expire on March 31, 2020. Please submit an application for reauthorization and your renewal fee at least 60 days before this date to ensure sufficient review time. Please contact HPEAP at (808) 586-7327 or at hpeap@dcca.hawaii.gov, if you have any questions or need further information.

Sincerely,

CATHERINE P. AWAKUNI COLÓN
Director
